#### How to Use Chafers....

1. Use Only Canned Fuel in the Burner
2. Fill the water pan  $\frac{1}{2}$ " to  $\frac{3}{4}$ " with hot water to create steam table effect. **DO NOT USE WITHOUT WATER!**
3. Light the Sterno, low flame is sufficient to maintain proper heat.
4. Stainless Steel food pans can be used for cooking and/or placed in the oven to retain heat.
5. Check pan during use to maintain sufficient water level.

To avoid additional cleaning charges please make sure all pans & frame of chafers is cleaned thoroughly. Scrape and wash food pans with lukewarm water using mild detergent, never harsh abrasives.
