

## Candelabra & Wedding Accessories Rental Rates

Candelabras and Wedding Arches can create a beautiful environment for your wedding vows! To match your wedding colors or theme, drape the frame with tulle or organza fabric and greenery. Your florist can adorn the units with flowers to match your bouquet. This treatment also softens and personalizes the arrangement. The pictures below show use of different candelabras to produce amazing results. We have a Gold Collection and White Collection available to craft your dream Wedding!

Wedding Arches can be utilized for outdoor Weddings, indoor Weddings or at the Reception. A wedding arch can be a gateway to the altar or place you will be married at. It is the place you will first walk through unmarried, but your next steps through it will be as a married woman or man. For many folks the arch is a very important part of the wedding. It is the centerpiece that most people can't take their eyes off of. It is also a great place to take pictures under. We have gold or white arches in two styles. Decorate to match your clothes and general wedding scheme. Include Plant Stands for a beautiful ensemble.

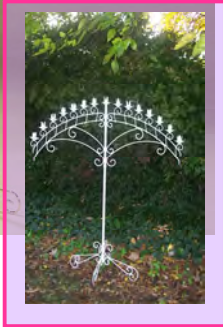

In both photos above White Wedding Arch with Plant Stands. Altar photo includes a Unity Candle Holder. Arches are symbolic of togetherness making an ideal backdrop or focal point for photographs of predominant guests, and soft focus photographs of the official kiss.

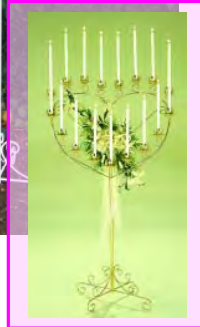

A Wedding Arch can be a “sweet” addition to your wedding cake table. Above photos show our standard arch with extension. You can fit a 60” round table or a 36” Card Table under this arch set up. This will definitely be a focal point of your reception and a favorite “photo opp” destination.
