

Worth The Trip!

PJ's Party Supply

Owner, June Schiada, has previous experience in the San Francisco Bay area where she worked many years in her father's business "Theme Party Productions." She experienced many exciting affairs such as decorating Danielle Steele's Summer house in Napa for July 4th celebrations every year and decorating the Christmas get together for the Forty Niners Football team every year. "With over twenty years in the industry and a lifetime of an artistic streak, (sewing, painting, drawing, writing poetry and Interior design), this store is a dream come true. I have strived many years to move to the country and start a small business and fell in love with this area and this venture. To be able to use the talents God has given me has been a priority in my life," says June.

Since opening its doors on October 25, 2001, PJ's has been able to reinvest into the business and more than triple its inventory. Other than consistently stocking seasonal supplies, new designs are being added regularly. Some of the over 75 themes carried are Sponge Bob, Bob the Builder, Hello Kitty, Spiderman, Star Wars, Jimmy Neutron, Spirit, Dora the Explorer, Barbie & Disney Princess. They have a wide variety of fun favors for any age, starting as low as 10 Cents. We carry over 100 Piñatas in stock and a tremendous selection of over 165 Mylar/Foil Balloons.

PJ's has a great "Totally Teachers" section that includes a wide assortment of Cutouts, Bulletin Board Borders, Pencils, Charts Stickers and more. They offer a 20% organizational discount to non-profit organizations, schools & Churches and also offer 10% volume discounts and special

discounts to City Organizations.

You'll find a great selection of gift items and specialty Gift Baskets. June's balloon-decorating end of the business, offers balloon arches, balloon columns, balloon releases, drops and custom décor and as you see in her advertisement, she has custom balloon bouquets available for delivery.

But this is not all, PJ's Party Supply rents supplies for your party. Rentals include helium tanks, chafers, coffee machine,

popcorn machine, bubble & fog machines and special effects lighting.

Join the "Birthday Club!" Sign up on the mailing list and receive a letter, 6 free helium balloons and a small gift on your special day. Sign up for the "Bouquet Club" and receive the sixth balloon bouquet free with the purchase of five (and there are no expiration dates).

You can view all of the party guides and a party checklist as well as photos of the store and directions to Downtown Sanger on the web site at www.pjspartysupply.com. The site is also linked to the Denton Chamber site.
