Dance Floors

Because our Dance Floors are in 1 Foot sections we can configure it into any rectangular shape. Installation is simple on level interior floors or on clean flat concrete, asphalt or decking surfaces. We supply a canvas underlayment to protect carpet/floors from damage. Our Dance floors are weather proof. Outdoor installation on dirt, gravel or grass will require a 3/4" plywood subfloor at an additional cost of **.30 Cents per square foot**. We can set up the floor to allow for tent poles. **PRICES INCLUDE DELIVERY & SETUP IN ZONE 1** PLEASE SEE DELIVERY ZONES ON OUR DELIVERY CHARGES DOCUMENT ON BOTTOM OF RENTAL PAGE.

DANCE FLOOR GUIDE
Generally, approximately 35% - 40% of your guests will be dancing at any one time. This guide allows about 4 -5 square feet per person on the floor. This creates a comfortable dance environment. (the most popular sizes in **BOLD**)
