Because we receive a large number of requests for donations each year and to remain fair & impartial, we regretfully have to decline all requests. Our decision in no way indicates a negative assessment of your organization or proposal. It is merely a desire to respond in a balanced and equitable manner. With that in mind we offer the below generous discount policy for organizations. We only ask that you comply with specified terms.

To get started, just visit our store and fill out the mandatory Tax Exempt form available from the cashier or you may print it out by clicking [here](#) and bring the completed document with you. Once you are on our list you only need to notify the cashier of your status before purchases are rung up. When you make your purchase, payment must be made with Cash, Check or Charge Card. If you have set up a Purchase Order system with the management you must forfeit any discounts.

That's all there is to it.
