TABLE DECORATIONS

Spread your coordinating table-cover on your party table. If the table can be damaged, be sure to place a protective cover on first.

Gather together items you want to use for decorating, some ideas are:

- Theme-related toys
- Theme-related or coordinating confetti
- Honeycomb theme centerpieces
- Metallic wire garland
- Assorted color curling ribbon
- Theme related molded candles
- Balloon Bouquet with decorative weight

Arrange items on your table attractively. Setting out the theme tableware will make an impact when guests arrive. Cut several 1 to 2 foot pieces of curling ribbon. Curl sections of the ribbon and scatter around table along with theme confetti focusing on your center grouping which can consist of your cake, a centerpiece, toys or balloons. Weaving wire garland around table décor can create a unique effect.
